Nature of Plaintiffs' Claims

8. Plaintiffs and Class Members allege that Defendants failed to pay (1) overtime premium, (2) wages due to time shaving, (3) tips earned at private catering events that were illegally retained by Defendants, (4) portions of tips earned on room service orders illegally

deducted and retained by Defendants, and also that Plaintiffs are owed (5) liquidated damages and (6) attorneys' fees and costs

Investigation and Discovery

9. Before filing the Complaint, Plaintiffs' Counsel conducted a thorough investigation. This included investigation and legal research on the underlying merits of the class claims, the likelihood of obtaining liquidated damages, the proper measure of damages, and the likelihood of class certification.

10. LLG had in-depth interviews with the named Plaintiffs. LLG also obtained documents and data from the named Plaintiffs that helped evaluate the risks of the case.

11. Discovery in this case has consisted of reviewing and analyzing documentation produced by Defendants, including thousands of pages of payroll and time records, as well as class-wide data containing, among other things, potential class member employment dates, job titles, and pay rates. Such documents were analyzed to calculate the damages owed to the named Plaintiffs and the Class Members.

12. Plaintiffs' Counsel has provided a benefit to the class and the judicial system by agreeing to cooperate in the prosecution and settlement of this case.

Settlement Negotiations

14. Plaintiffs submitted a detailed mediation statement that explained the claims, noted Defendants' vulnerabilities, acknowledged risk, and explained the damage calculations.

15. On July 30, 2018, the Parties engaged in a full-day in-person mediation with Carol Wittenberg, a highly respected mediator experienced in resolving complex employment disputes who is currently affiliated with JAMS.

16. The parties reached a settlement in principle and entered into a Term Sheet and, during the months thereafter, continued negotiating the terms of the class settlement, which was memorialized in the formal Settlement Agreement. (See **Exhibit A.**)

17. At all times during the settlement negotiation process, negotiations were conducted on an arm's-length basis.

Settlement Agreement

18. A true and correct copy of the parties' Settlement Agreement is attached as **Exhibit A**.

19. Under the Agreement, all class members will opt-in to the Fair Labor Standards Act ("FLSA") collective action by signing, negotiating, depositing or cashing their settlement checks, which contain opt-in acknowledgment language.

20. There are approximately 367 Class Members in this case.

Claims Administration

21. The Claims Administrator will be Rust Consulting, a third-party administration company.

22. The Claims Administrator's fees will be paid out of the Settlement Fund.
